Doan's Kidney Pills never fail you. Barre people know this. Read this Barre case. Read how Doan's stood the test. For many years.

It's long testimony and can be investigated:

Mrs. William Stephens, 78 Maple avenue, Barre, Vt., says: "In 1905 Mr. Stephens gave a testimonial in favor of Doan's Kidney Pills to the effect that his mother had used them and found great relief from backache and kidney trouble. I know that she still thinks well of the remedy and takes it whenever her kidneys trouble her. About two years ago Mr. Stephens also began to be bothered by his back and kidneys. Hard work undoubtedly being the cause of the trouble. He used Doan's Kidney Pills and found them very effective. The completely relieved the pain and lameness in his back and corrected the irregular passages of the kidney secretions. He procured this excellent remedy at Dr. A. Brown's drug store."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

AMUSEMENT NOTES.

"Yama, an All Star Cast and Beauty Chorus.

A glance at the roster of the company that will present Mr. Alfred E. Aaron's successful Oriental musical comedy at the opera house on Friday, April 16 will convince the theatregoers of Barre that it is an all star cast. The principal comedian is J. Clarence Harvey who will be long remembered for his excellent work as the Mayor in "His Honor the Mayor." Miss George Bryton, the character actress of the company, created the original slinky part in "The Chinese Honeymoon" company and was also featured with Jeff. DeAngels in "Fantasia." Miss Violet Colby, formerly prima donna with "The Chinese Honeymoon" company, occupies the same position with this company. Harry Stuart was formerly baritone with the "Riff Raff" company, and Mr. Wm. Meyer was baritone with the Madam Shuman Heineck company. Other members of the company are equally well known to the patrons of musical comedy. One of the distinct features of the company will be Alfred E. Aaron's original dancing solo, especially imported to this company from London for his musical shows. Mr. Aaron has given particular care to the selection of his chorus for this season's presentation of "Yama," and the girls, as well as being comely and well groomed, both on and off the stage, are all good singers and dancers.

NO DECISION ON "COMMODITIES."

The Clause in The Rate Law Troubles Supreme Court.

Washington, April 13.—No decision in the "commodities clause" case was announced by the supreme court of the United States today.

This case involves the constitutional-ity of that section of the Hepburn rate act which prohibits railroads from transporting, for hire, any commodities produced by themselves, or in which they own an interest, except timber. Railroads owning coal lands in the East are particularly affected. The case has been under consideration by the court for months, and the delay in announcing a decision is interpreted as indicating much difficulty on the part of the members of the court in arriving at a satisfactory determination of the question.

A CURE FOR NEURALGIA

Remarkable Recovery at Lisbon Proves Its Power in This Painful Disease.

Neuralgia is inflammation of a nerve. This inflammation is sometimes caused by exposure to cold, sometimes by the nerve irritation arising from a decayed tooth. Of all causes, however, a general debility of the system is by far the most frequent. The most eminent nerve specialists and the greatest medical treaters agree on this point.

Lack of blood is almost always associated with neuralgia. Build up the blood, the impoverished nerves are fed and the neuralgia pains disappear. Absolute rest is the best aid to proper medical treatment.

The cure of Mrs. F. C. Carter, of No. 6 High street, Lisbon, N. H., by the use of Dr. Williams' Pink Pills should lend other sufferers from neuralgia to try this remedy. Mrs. Carter says:

"Following some trouble with my teeth I was afflicted with neuralgia in the head. The pains were terrible and sometimes caused me to faint. I also had dreadful headaches. I was confined to bed as often as two or three days a week. For two years I had no relief from my suffering and lost so much in weight that my friends thought I would never get well on my feet."

"The doctor treated me for neuralgia and said my blood would have to be built up. After getting no help for two years I began using Dr. Williams' Pink Pills and took them regularly. I felt better after giving the pills a trial and continued with them until I was free from the neuralgia. I have had no return of the trouble and, as I consider my cure due to Dr. Williams' Pink Pills, I recommend them to anyone who needs a blood or nerve tonic."

If you are ill and the treatment you are taking does not cure you, write for a copy of our booklet, "Nervous Disorders, a Method of Home Treatment." It will be sent you on request.

Dr. Williams' Pink Pills are sold by all druggists, or sent by mail, postpaid on receipt of price, 50 cents per box; six boxes for \$2.50, by Dr. Williams' Medicine Company, Schenectady, N. Y.

KILLED ON WAY TO CHURCH.

Easter Service Transformed Into Requiem For Three Girls.

Dubuque, Ia., April 13.—The glad Easter song at the church in Rockdale was transformed into a requiem when three little girls tripping blithely to the services Sunday afternoon were struck by a train and killed.

Miss George Faldorf had fixed up her daughters, Ruth, 16; Anna, 10; and Mabel, 6, in their Sunday best, and with a kiss for each and a mother's adjuration to hurry had sent them on their way to the church. The nearest path along the track of the Illinois Central railroad, and the children chose this way. The wind was blowing sharply, and they didn't hear the train, which was rapidly approaching around a curve.

The bodies were taken to the church, which was converted into a temporary morgue.

D. F. DAVIS' SUCCESS.

D. F. Davis, the enterprising druggist, rather than wait the ordinary methods of introduction, urged the Dr. Howard Co. to secure a quick sale for their celebrated specific for the cure of constipation and dyspepsia by offering the regular 50c bottle at half-price.

In addition to selling a 50c bottle of Dr. Howard's specific for 25c, D. F. Davis has so much faith in the remedy that he will refund the money to anyone whom it does not cure.

When your head aches, your stomach does not digest food easily and naturally when there is constipation, specks before the eyes, tired feeling, giddiness, bad taste in the mouth, coated tongue, heartburn, sour stomach, roaring or ringing in the ears, melancholy and liver troubles, Dr. Howard's specific will cure you. If it does not, it will not cost you a cent.

This latest achievement of science is of great value in curing sick headache.

TRIBUNE TO PETROSINO.

New York Police and Prominent Men at His Funeral.

New York, April 13.—The funeral of Lieut. Joseph Petrosino of the New York police department, who was assassinated while engaged in special service in Palermo, Sicily, was made the occasion yesterday for a remarkable tribute to the dead detective and his brilliant services against criminals.

The police department, many Italian societies and prominent citizens of that nationality united in expressing the gratitude of New York City for Petrosino's self-sacrificing work and sorrow because of the untimely ending of his career at a time when he was believed to be engaged in his most important service to this city and country.

Many Italians gathered early yesterday in La Fayette street, near the home of the detective, where his body was lying in state. Admirers and compatriots of Petrosino found time to pause and with bowed head utter a silent prayer before passing on to work.

Twenty-five policemen were stationed in front of the Petrosino home and 50 detectives were on duty in the yards and on roofs nearby. Four hundred and fifty policemen, including many dressed in plain clothes, were assigned to guard the funeral procession to the old St. Patrick's cathedral in Mott street and to Calvary cemetery on Long Island.

Ten thousand persons were congregated in the streets leading from the Petrosino home where the body was removed to the cathedral for the funeral services. The funeral procession was headed by the police band. A line of policemen two deep stood for blocks with batons presented as the hearse passed and heads were bowed by the immense throng which silently watched the march.

While the services were in progress within a guard of honor was on duty at the entrance of the cathedral. Mayor McCallan and Police Commissioner Bingham were among the 2,500 persons who attended the services.

Save Time, Labor and Money

For seventy years Iron Age Implements have been helping farmers and gardeners everywhere to produce better crops with less labor, and every year marks some new improvement where improvement is possible. Today there is no combination of time and money as the Iron Age Implements.

A Few of Them Described

The No. 6 Iron Age Double and Single Wheel Hoe, Hill and Drill Seeder, with one pair of handles and the interchangeable parts will open the furrow, plant, cover, make level, weed, hoe and cultivate with half the work and twice the speed of hand methods. It's a winner from start to finish.

The No. 1 Iron Age Double and Single Wheel Hoe is just the tool for a small garden, handy for a woman or boy. Very light, and easy running on account of the high wheels. Will pay for itself in a week's time.

The No. 110 Orchard and Variety Cultivator, designed for the orchardist, but available for all purposes common to the fruit grower. Can be used as a fallow plow, opening furrows for irrigating or planting purposes and is a strong all-round cultivator that will make the orchard pay.

The No. 6 Iron Age Hill and Drill Seeder is light, simple, strong and satisfactory. The seed hopper holds four quarts and delivers fine or coarse seed properly and evenly with accurate spacing. An invaluable tool for large gardens or market and farm gardens.

The Iron Age Improved Robbin's Potato Planter is an invaluable time saver for the potato farmer. Drops one hundred per cent of seed on from 4 to 7 acres per day. No doubling, no mules, no bruised seed. This machine, like all Iron Age Implements, will stand the hard knocks of real service, and may also be used with entire satisfaction in planting peas, beans and corn.

The Iron Age Four Row Sprayer is a positive necessity on all farms where successful potato culture is desired. Rapid and thorough in its work, preventing blight and disease, making better crops, larger yield, and assuring better quality. Has standard attachment.

If you want to save time, save labor, and make money, it will pay you to write for Iron Age, our new book for 10c, describing in detail these money-making implements as well as Iron Age Hoes, Hills, and Walking Cultivators, Spring Tooth Cultivators, Fertilizer Distributors, etc.
